The Pete Shelley Memorial Statue Campaign

Deed / Constitution compiled and signed 15th June 2019

The Pete Shelley Memorial Statue Campaign was formed in January 2019

Aims & Objectives

The aim of the group collectively known as The Pete Shelley Memorial Statue Campaign is to fund raise and to raise the profile of the group by organising fund raising events and to promote and share information and updates via social media and any other appropriate media outlets. The groups main objective is to raise funds to pay for a memorial statue of Peter Campbell McNeish, also known as Pete Shelley. The main area of work will take place in the borough of Wigan and its surrounding Towns. In particular Leigh, Lancashire which is the birthplace of Pete Shelley. However this is not exclusive and we hope to take in the whole of the UK. It is hoped that the work will benefit the wider communities and in particular music and arts as we believe a statue of such a musical icon will continue to inspire future generations of budding musicians. We also feel a statue will be important for local heritage and for education. We also believe a statue of Pete will be representative for the LGBTQ community of which Pete was a member and an ambassador of. A statue of Pete will also help to raise the awareness of the local towns pop culture roots. The group will operate as a not for profit group and all monies received from fund raising will be deposited into The Pete Shelley Memorial Statue Campaign bank account.
